## REMINDERS - RULES OF THE RING

- When possible, pass left shoulder to left shoulder.
- When passing another rider, say "inside" or "outside" so the other rider knows where you are passing.
- Before doing poles, or jumps, or diagonal lines, etc. - call it out to the other riders in the ring.
- If you are hand walking a horse, please stay off the rail.
- Do not stop a horse on the rail unless you have to do so.

## DID YOU KNOW??

- Mares come into heat every 20-22 days. Most mares will remain in heat for 5-7 days.
- The normal body temperature of a horse is 100.5 degrees. The normal breathing rate at rest is 12-15 breaths per minute. The normal resting heart rate is 35-40 beats per minute. You can feel the pulse by putting your hand under the horse's left elbow.
- One single hair from a horse's tail takes about 4 years to grow back. Horses' tail hairs are very fragile and should never be brushed without a show sheen type product sprayed on liberally first.

*Hunters Run Stables Gang at the CHSA Banquet*

The beautiful weather is ALMOST here!! A few outdoor rules to remember:

- Tell an employee/adult when leaving for a trail ride- never go alone.
- Yell "door" when passing by the back door of the indoor ring to warn other riders.
- When riding down Hunter Lane -please clean up after your horse.
- Be careful riding through Renee's yard - pool construction beginning soon (I see a party in the near future!!)

- Tiffany Hajdasz will be teaching our Advanced Camp this summer. It will be held the week of July 3<sup>rd</sup> but there will be no camp on the 4<sup>th</sup> of July. The price for the 4 days is \$250. Please reserve your spot as soon as possible since space is limited. - A great big Thanks You to Lou Denizard for a great clinic!! Everyone learned a lot and had a great time!
