BARN BUCKS PROGRAM

We will be instituting a new program for all of our working students and camp helpers. In exchange for your help, you will be paid in "barn bucks". This "money" can be used toward an extra lesson (aside from your regularly scheduled lesson) or practice ride. Please see Tiffany or the information on the candy machine for details

RULES REMINDER

- * Please be sure you arrive to your lesson with enough time to tack up and be in the ring at your scheduled time.
- * Please remember to clean up after yourself and sweep the aisle by the cross-ties before you get on. Tack needs to be put away before you leave.
- * Payment is expected at the first lesson of the month for the coming month.
- * Make up lessons will be rescheduled within the same month of the missed lesson. Lessons are always rescheduled - never cancelled.
- * Please try to limit the interruptions to the instructor as a courtesy to the other riders. Questions can easily be answered via email at Huntersrunstables@Cox.net
- * For your own safety - please be sure to lead horses/ponies with a lead rope.
- * Hunters Run school horses can be ridden for a practice ride using your Barn Bucks with permission from Jeri, Tiffany or Renee only.
- * Leasers must take at least one lesson per week on the horse they are leasing. NO EXCEPTIONS!
