## 2008 Show Season

### Off to a GREAT start!

We've been very busy this winter. I guess that is my excuse for being so delinquent in writing these newsletters.

The show season is almost in full swing. We have met with many of you about your goals for this year. If we have not met with you yet, please catch up with your instructor or send her/me an email. We would like to congratulate all of our award recipients for the 2007 show season. There are plenty more pictures on our website and on the CHSA website ([www.chsaonline.com](http://www.chsaonline.com)) So, check it out and join the fun!!

#### NEW NEWS! GOOD NEWS!

Most veterinarians are now recommending a change in our horses' diet. The current trend is a low starch (and sugar)/high fat diet. In an effort to keep our horses healthy- we are switching to a new formula of feed. It will be the same company just a different formula of ingredients. This dietary change is recommended for all horses. We have also added Biotin, Selenium and Vitamin E.

CHJA Banquet and Our Winning Team

#### Hunters Run goes Hollywood!!

There will be camera crews around toward the end of March filming pictures of our goats and horses. A 10 year-old boy from Glastonbury has invented a solar powered air freshener that will be tested at our barn! Look for your horse on TV (well maybe cable) soon! More details to follow . . . . .

## Our new teams:

#### Our sincere apologies for omitting
